

LIGHT BOX DURATRAN SPECIFICATIONS

DURATRAN SIZE: 34 7/8 X 54 3/4

VISUAL SIZE: 32 7/8 X 52 3/4

PLEASE NOTE: Duratrans fit into the light box and are clipped in by 1 inch clip frame holders. Your duratran should be made to the 34 7/8 x 54 3/4 size, but the design & graphics should be designed with the visual area dimensions to make sure the clips and frame will not block any images or wording.

GRAPHIC SPECIFICATIONS: Graphics are to be sent in high resolution EPS, JPG or TIFF files. No GIF or BMP files please!
